IASN 60th Annual Conference Framework for 21st Century School Nursing Practice™

Friday, Oct. 20 – Saturday, Oct. 21, 2017

Target Audience: Registered nurses holding an Illinois professional educator's license in school nursing (PEL-CSN) and registered nurses working in schools or with school communities.

Conference Outcomes: Participants will consider and develop a plan to integrate at least one of the NASN framework concepts into daily practice by describing a possible intervention that supports one component of student health that aligns with academic success. Participants will self-report an intent to integrate at least one of the NASN Framework concepts into daily practice by describing a possible intervention that supports one component of student health that aligns with academic success.
